ENGROSSED HOUSE BILL No. 1234

A BILL FOR AN ACT concerning education.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. [EFFECTIVE UPON PASSAGE] (a) As used in this
2 SECTION, "commission" refers to the early learning study
3 commission.

4 (b) The early learning study commission is established to
5 develop information needed by the department of education to
6 effectively implement optional full day kindergarten and early
7 learning programs for children in Indiana. The commission has the
8 following members:

9 (1) Four (4) members of the senate, not more than two (2) of
10 whom may be members of the same political party, appointed
11 by the president pro tempore of the senate in consultation
12 with the minority leader of the senate.

13 (2) Four (4) members of the house of representatives, not
14 more than two (2) of whom may be members of the same
15 political party, appointed by the speaker of the house of
16 representatives in consultation with the minority leader of the
17 house of representatives.

18 (3) The state superintendent of public instruction, or the

superintendent's designee, who shall serve as chairperson of the commission.

(4) The governor or the governor's designee, who shall serve as vice chairperson of the commission.

(5) A public school superintendent, appointed by the state superintendent of public instruction.

(6) A public school business official, appointed by the state superintendent of public instruction.

(c) The commission shall operate under the rules adopted by the legislative council concerning study committees. Seven (7) members of the commission constitute a quorum. The affirmative votes of at least seven (7) members are necessary for the commission to take action or make a recommendation.

(d) The legislative services agency shall provide staff for the commission. The department of education shall provide information and assistance to the commission.

(e) The commission shall study full day kindergarten and early learning programs and report the commission's findings to the general assembly and the governor before December 1, 2004. The report must be in an electronic format under IC 5-14-6. In the study, the commission must include the following:

(1) The development of a sustainable long range funding plan for full day kindergarten and early learning programs that does not jeopardize existing classroom funding levels or the state's commitment to teachers' pensions.

(2) The identification and determination of the full costs of specific early learning programs that would most benefit children.

(3) A determination of the full costs of full day kindergarten.

(4) A determination of whether a parent should be required to pay part of the cost of participation in full day kindergarten.

(5) A determination of whether there is adequate classroom space to implement full day kindergarten and, if there is not adequate classroom space, the cost and lead time necessary to add additional space.

(6) A determination of the impact of full day kindergarten programs on property taxes.

(7) The identification of funding shortfalls that currently exist in existing kindergarten through grade 12 programs.

(8) A determination of whether the department of education or another agency is best able to develop the components of

1 full day kindergarten and early learning programs.

2 (9) A consideration of major components that should be
3 included in full day kindergarten and early learning
4 programs.

5 (10) A review of public funding currently dedicated to full day
6 kindergarten, early learning programs, child development
7 programs, and child care programs to identify potential
8 funding efficiencies and to ensure there is no duplication or
9 overlap in programming or funding.

10 (11) The establishment of a time line for implementing full
11 day kindergarten and early learning programs on a statewide
12 basis.

13 (12) An exploration of other obstacles or opportunities that
14 exist with respect to the implementation of full day
15 kindergarten and early learning programs.

16 (f) This SECTION expires December 31, 2004.

17 SECTION 2. An emergency is declared for this act.

Page 5, line 23, strike "(c)" and insert "(d)".

Page 5, between lines 27 and 28, begin a new paragraph and insert:

"SECTION 6. IC 21-1-5-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 4. (a) To qualify for an advance under this chapter, the school corporation or school township is required to establish a capital projects fund under IC 21-2-15. However, the Indiana state board of education, after consulting with the department of education and the budget agency, may waive or modify this requirement upon a showing of good cause by the school corporation or school township.

(b) No advance to a school corporation or a school township for any school building construction program may exceed the greater of:

- (1) fifteen million dollars (\$15,000,000); or
- (2) the product of fifteen thousand dollars (\$15,000) multiplied by the number of pupils accommodated as a result of the school construction building program. However, if a school corporation or school township has sustained loss by fire, wind, cyclone, or other disaster, this limitation may be waived by the Indiana state board of education after consulting with the department of education and the budget agency.

(c) Advances **made before July 1, 2004**, for educational technology programs are without limitation in amount other than the availability of funds in the common school fund for this purpose and the ability of the school corporation or school township desiring an advance to pay the advance in accordance with the terms of the advance. **This subsection expires July 1, 2004.**

SECTION 7.IC 21-1-5-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 5. (a) Money advanced to school corporations or school townships for school building construction programs may be advanced for periods not exceeding twenty-five (25) years, and the school corporations or school townships to which money is advanced shall be required to pay interest on the advance. For advances made before July 1, 1993, the Indiana state board of education may provide, either before an advance is made or before an advance is fully paid, that no payment of the advance may be prepaid by more than six (6) months. For advances made beginning July 1, 1993, for school building construction programs, the Indiana state board of education may provide that the advances are prepayable at any time. The state board of finance created by IC 4-9.1-1 shall periodically establish the rate or rates of interest payable on advances for school building construction programs as long as:

- (1) the established interest rate or rates do not exceed seven and one-half percent (7.5%); and
- (2) the interest rate or rates on advances made to school corporations or school townships with advances outstanding on July 1, 1993, bearing interest at seven and one-half percent (7.5%) or more shall not exceed four percent (4%).

(b) Money advanced **made before July 1, 2004**, to school corporations or school townships for educational technology programs may be for periods not exceeding five (5) years and the school corporations or school townships to which advances are made shall be required to pay interest on the advances. Advances **made before July**

1, 2004, for educational technology programs may be prepaid at any time. The state board of finance shall establish periodically the rate or rates of interest payable on advances for educational technology programs as long as the established interest rate or rates:

- (1) are not less than one percent (1%); and
- (2) do not exceed four percent (4%).

This subsection expires July 1, 2009.

(c) To assure timely payment of advances in accordance with their terms, the state is authorized in its sole discretion to withhold from funds due to school corporations and school townships to which advances are made amounts necessary to pay the advances and the interest on the advances in accordance with their respective terms. The terms of the advances shall be established by the Indiana state board of education after consulting with the department of education and upon the approval of the budget agency in advance of the time the respective advances are made. However, in the case of school corporations or school townships with advances outstanding on July 1, 1993, the withholding may be adjusted to conform with this chapter. To the extent available, funds shall first be withheld from the distribution of state school tuition support. However, if this distribution is not available or is inadequate, funds may be withheld from the distribution of other state funds to the school corporation or school township to which the advance is made.

SECTION 8. IC 21-1-5-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 9. (a) Priority of advances for school building construction programs shall be made to school corporations and school townships which have the least amount of adjusted assessed valuation per pupil in average daily attendance.

(b) Priority of advances **made before July 1, 2004**, for educational technology programs shall be on whatever basis the Indiana state board of education, after consulting with the department of education and the budget agency, periodically determines. **This subsection expires July 1, 2004.**

SECTION 9. IC 21-1-5-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: Sec. 10. A school corporation or school township to which an advance is made for an educational technology program **before July 1, 2004**, may annually levy a tax in the capital projects fund or the debt service fund to produce an amount equal to the amount deducted in the current year from the distribution of state school tuition support to pay the advance, together with the interest on the advance. The amount received from the tax shall be transferred from the capital projects fund or the debt
